Sir:

REPLY "C" TO OFFICE ACTION

This paper is responsive to the Final Office Action issued by the Examiner on April 16, 2007 and includes a request for continued examination (RCE) along with the associate RCE fee. Claims 1-16 are currently pending and Applicant is amending claim 1 and cancelling claims 9-16. No inference as to patentability of the claims should be made beyond that of the claims being cancelled to expiate the issuance of this application. Applicant reserves the right to continue the cancelled claims prosecution in a continuation application. Applicant believes that no new matter has been added in this response. Applicant requests that the Examiner reconsider the application in view of the following remarks and amendment.
